Dear Laura,

On behalf of NANASP it is my pleasure to notify you that New York State Association of Area Agencies on Aging has been chosen to receive a \$6,000 Advocacy Begins at Home Grant.

Advocacy is central to our work at NANASP and renewing the Older Americans is at the top of our agenda. We are pleased to support our members in spearheading genuine grassroots activities on behalf of a renewed Older Americans Act.

We look forward to hearing of the progress you make in implementing this NANASP Advocacy Begins at Home Grant, and ultimately a brief report to be presented at our annual conference in San Diego, CA.

Thank you for partnering with NANASP in this important work.

Sincerely,

Robert B. Blancato  
NANASP Executive Director
