

## ACUU Pre-conference June 8: AAA Targeted Training for Directors and designated staff

Dear AAA Director:

NYSOFA will bring you a "AAA Targeted Training" as a pre-ACUU-conference opportunity on June 8th from 1pm -5pm.

Based on the needs assessment survey that you responded to, NYSOFA has developed a half-day session to address some of the trends coming from the Annual Evaluation process.

The AAA Targeted Training will be held the day prior to the start of ACUU in Albany. Participation in this training is optional. AAA Directors are receiving this invitation and are encouraged to have your appropriate staff sign up too. All AAAs are invited to participate.

There is no fee but pre-registration is required by May 22.

Check out the agenda for this program below, share with appropriate staff and register today!
