Contracted Attorney Specializing in Healthcare Contracting

February 2020

The Association on Aging in New York seeks written quotes for an hourly rate for legal service consulting. The Association on AgingNY is a not for profit, membership organization that represents the 59 county-based Area Agencies on Aging in NY. We are seeking written quotes for consulting services surrounding legal services for not for profits and their potential to contract with public and private insurers for value based payment arrangements and general service contracts with health systems, health plans, hospitals, etc. that address the social determinants of health.

Requirements include response to have the serves of a licensed attorney, with a specialty in health care contracting and risk management.

For consideration send information to:
