

EISEP Case Management Training on Track for ACUU

We asked our offices for aging what kind of training their aging specialists and case managers needed, and they responded overwhelmingly, saying: "We need EISEP Case Management training!"

So here it is: a three session track during the popular ACUU conference on July 9 & 10 at the Desmond in Albany, NY, along with 30 more workshop sessions you can attend.

Finding your Way with COMPASS

Tuesday, June 9th 9:30 a.m. - 10:45 a.m.

Designed for both new and experienced case managers, this session provides detailed instruction on how to complete the COMPASS (Comprehensive Assessment for Aging Network Community Based Long Term Care Services) on behalf of older adults. The COMPASS assessment is designed to be a useful client assessment instrument that will inform and guide comprehensive care planning and contains the Minimum Data Set (MDS) assessment instruments required for aging-funded community-based long term care assessments.

Presenters: Dana Corwin RN, Nurse Coordinator, Chautauqua County Office for the Aging and Maureen L. Estabrooks, Aging Services Specialist, Genesee County Office for the Aging

Calculating Cost Share

Tuesday, June 9, 1:30 p.m. - 2:45 p.m.

Learn how to use the Financial Information and Client Agreement form to collect information on income and housing expenses and determine the cost sharing responsibilities for clients receiving Expanded In-home Services for the Elderly Program (EISEP) or Community Services for the Elderly (CSE) EISEP-like services. This interactive session is designed for the new and experienced case managers and will provide step by step directions on how to complete a model Financial Information and Client Agreement form. Plus, find out how the same form can be used to determine potential eligibility for Community Medicaid.

Presenters: Dana Corwin RN, Nurse Coordinator, Chautauqua County Office for the Aging and Maureen L. Estabrooks, Aging Services Specialist, Genesee County Office for the Aging

Person-Centered Planning Using Health and Human Services Guidelines

Wednesday, June 10 9 a.m. - 10:15 a.m.

This workshop focuses on understanding the new Health and Human Services guidelines related to person-centered planning (PCP) and self-direction (SD) principles required under Section 2402(a) of the Affordable Care Act, principles that must be implemented in assessment, care planning and service implementation for all older and disabled clients. Plus, find out more about the consumer directed option under Expanded In-home Services for the Elderly Program (EISEP).

Presenter: William Lane, Ph.D., William Lane Associates, LLC
