

# Leadership Institute

## Oct. 21 - 23, 2014

### Harbor Hotel at Watkins Glen

-----

You are invited to attend the Leadership Institute event on October 21 -23 in the beautiful fingers lakes region of NY...at the Harbor Hotel at Watkins Glen.

---

## Leadership Institute - who should attend & why?

Leadership Institute is the do-not-miss event of the year for Directors of AAAs.

This is your chance to meet and mingle with your colleagues from around the state and gain insight into policy issues confronting YOU as your agency's leader. We provide an opportunity to meet directly with NYSOFA director Corinda Crossdale and her senior staff to discuss aging concerns & current and future initiatives. Institute provides a great opportunity for Directors to come together in an intimate setting that is a perfect blend of part business meeting and part retreat.

Roughly 50% of AAA Director's are less than two years on the job! Take this opportunity to meet your peers and make critical connections with your network!
